SEC. 1225. "The President may, upon the application of any established college or university within the United States, having capacity to educate, at the same time, not less than one hundred and fifty male students, detail an officer of the Army to act as president, superintendent, or professor thereof; but the number of officers so detailed shall not exceed * * * [thirty] at any time, and they shall be apportioned throughout the United States, as nearly as may be practicable, according to population. Officers so detailed shall be governed by general rules prescribed, from time to time, by the President. The Secretary of War is authorized to issue, at his discretion and under proper regulations to be prescribed by him, out of any small-arms or pieces of field-artillery belonging to the Government, and which can be spared for that purpose, such number of the same as may appear to be required for military instruction and practice by the students of any college or university under the provisions of this section; and the Secretary shall require a bond in each case, in double the value of the property, for the care and safe-keeping thereof, and for the return of the same when required."

SEC. 1260. "Any retired officer may, on his own application, be detailed to serve as professor in any college." [But while so serving, such officer shall be allowed no additional compensation.]

1. The following regulations, in regard to detail of officers of the Army at established colleges and universities within the United States, are prescribed by the President, under the above laws:

1. Details "shall be apportioned throughout the United States as nearly as may be practicable according to population"; such States as do not contain sufficient population to entitle them to one officer will be grouped with one or more contiguous States or Territories, so that the combined population of the group will allow the detail of one or more officers, to the extent of thirty officers in all.

2. As a rule, captains of companies, regimental staff officers, or officers who have served less than three years with their regiments or corps, or who have recently completed a tour of detached duty, will not be eligible. No details will be made that will leave a battery, troop, or company without two officers for duty with it. The period of detail will not be longer than three years.

3. Retired officers, if acceptable to any institution, may, on their own request, be detailed on this duty among the thirty authorized. Besides this number, any retired officer may arrange to serve at a college or university without detail from or reference to the War Department; but unless detailed under section 1225, Revised Statutes, such service will not entitle the institution to the arms, &c., provided by that section.

4. No detail will be made for any institution except upon an application from its proper representatives, nor will any officer be so detailed unless acceptable to the authorities of the institution, who should make their selection from the officers available for this duty.

5. Applications for officers should be addressed to the Secretary of War, and should duly certify the number of male students the college or university has the capacity to educate, and should also be accompanied by the last printed catalogue.

6. Officers of the Army desiring a detail at colleges or universities may make application to the Adjutant-General, through the usual military channels, for such details; their applications and the recommendations forwarded therewith will, if the officers are available, be furnished to such institutions as may desire to make a selection.

11. The following are the regulations prescribed by the Secretary of War for the issue of arms, &c., required for military instruction and practice at colleges and universities, under section 1225, Revised Statutes:

1. The number of pieces of field artillery, with necessary implements, and of small-arms and accoutrements, which

may be issued for the purposes of military instruction to each selected college and university having an officer of the Army stationed thereat, is limited to the following, viz:

2 3-inch rifled guns, wrought iron, model 1861, at \$450	\$900 00	2 tompions, 3-inch, at 30 cents	\$0 60
2 carriages and limbers, 3-inch gun, at \$325	650 00	2 vent-covers, at 40 cents	80
2 gunner's haversacks, at \$3.35	6 70	1 pendulum hausse, 3-inch	2 50
2 handspikes, trail, at \$1	2 00	1 pendulum-hausse seat	60
1 lanyards, at 10 cents	40	1 pendulum-hausse pouch	75
2 priming-wires, at 10 cents	20	2 paulins, 12 by 15 feet, at \$11.75	23 50
2 sponges and rammers, 3-inch, at \$1	4 00	150 Springfield "cadet" rifles, cal. .45, with appendages, &c., at \$18	2,700 00
2 sponge-covers, 3-inch, at 30 cents	1 20	150 bayonet-scarbards, steel, cadet, at 91 cents	136 50
2 tube-pouches, at \$1.50	3 00	150 waist belts and plates, at 50 cents	75 00
2 thumbstalls, at 20 cents	80	150 cartridge-boxes, cal. .45, at \$1.25	187 50

2. Issue of the above stores will be made by the Chief of Ordnance to any selected institution upon its filing a bond in the penal sum of double the value of the property, conditioned that it will take good care of and safely keep and account for the same, and will, when required by the Secretary of War, duly return the same, within thirty days, in good order, to the Chief of Ordnance United States Army, or such officer or person as the Secretary of War may designate to receive it.

3. To conform to the requirements of the law, the terms "college" and "university" herein used are held to relate to "State institutions, incorporated or public," and not to "mere schools, private or municipal."

4. The following is the blank form of bond to be executed previous to the issue of ordnance and ordnance stores, viz:

5. For practice-firing, the following allowances of ammunition will be made annually to each of the various institutions, viz:

1,000 carbine metallic ball-cartridges, cal. .45.
1,000 metallic blank cartridges, cal. .45.
100 round blank cartridges for 3 inch gun.
300 friction primers.

This ammunition will be issued upon requisitions to be forwarded to the Chief of Ordnance by the presidents or superintendents of the institutions; and as annual allowances date in all cases from July 1 of each year, requisitions should be forwarded before or as soon after that date as practicable for the prospective year's supply. Undrawn allowances of one year cannot be drawn in the succeeding year.

6. Regular property returns will be rendered quarterly to the Chief of Ordnance by each president or superintendent of an institution supplied with arms, &c., accounting for all ordnance and ordnance stores issued to the institution under his charge. These returns will be made on the blank forms to be supplied by the Chief of Ordnance.

7. Whenever any institution shall fail to return the public property in its charge within thirty days after demand made by the Secretary of War, the delinquency will be promptly referred to the Attorney General, that the bond of the institution may forthwith be put in suit.

8. All expense of repairs of stores is to be borne by the institution using the same, the Ordnance Department supplying spare parts for repairs at cost price.

[G. O. No. 100, Adjutant General's Office, November 21, 1879.]

In addition to the instructions contained in General Orders No. 100, series of 1879, from Headquarters of the Army, concerning details of officers of the Army at colleges, universities, &c., the following instructions from the Secretary of War, concerning the detail of retired officers at such institutions, under the act approved May 4, 1880, are published for the information of all concerned:

The act provides—

"That upon the application of any college, university, or institution of learning incorporated under the laws of any State within the United States, having capacity at the same time to educate not less than one hundred and fifty male students, the President may detail an officer of the Army on the retired list to act as president, superintendent, or professor thereof; and such officer may receive from the institution to which he may be detailed the difference between his retired and full pay, and shall not receive any additional pay or allowance from the United States."

All officers detailed under section 1225, Revised Statutes, whether from the active or retired list, belong to the thirty officers distributed according to the annexed apportionment.

The details authorized by the act of May 4, 1880, will be in addition to the thirty allowed by the section referred to, and may be made to institutions of learning of the requisite grade in any State, without reference to population or to the number of officers already serving therein.

Whenever the detail of an officer, under section 1225, Revised Statutes, shall expire at an institution of learning within a State or group of States having a greater number of officers on such duty than the State or group is entitled to under the apportionment, the vacancy so created will not be filled by a detail under the section named, but by a detail, under the act approved May 4, 1880, of such officer on the retired list as the authorities of the institution may select and who may be willing to accept the detail.

Any communication addressed to a retired officer, in care of this office, will be forwarded to his address. The names of all such officers are published in the Army Register.

Under section 1225, Revised Statutes, which requires the thirty officers authorized thereby for detail at colleges, &c., to be distributed throughout the United States, as nearly as practicable, according to population, the following apportionment has been adopted, being based on a division of the total population of the United States by the census of 1880 (50,152,866) by 30 (the number of officers authorized), which gives 1,671,762 as the population a State or group of States should have, as nearly as practicable, to be entitled to an officer.

[CIRCULAR. Adjutant General's Office, February 14, 1881.]

Officers detailed at colleges under the provisions of section 1225, Revised Statutes of the United States, are required, by direction of the President, to make out and transmit to the Adjutant General of the Army quarterly reports of their duties and of all matters properly pertaining to the military departments of the colleges at which they are serving, as set forth in detail on the blank for this purpose, which will be furnished by the Adjutant General of the Army.

[CIRCULAR. Adjutant General's Office, August 25, 1880.]

By direction of the President, the circular from this office dated August 25, 1880, requiring that reports of duty, &c., be rendered quarterly by officers detailed at colleges under section 1225, Revised Statutes, is amended so as only to require that such reports be rendered at the end of each scholastic session.

The blank reports heretofore used will continue in use until the supply now on hand shall have been exhausted.

With a view to the preparation of a blank that will enable officers to more fully set forth the condition of the military departments of the institutions at which they are detailed, all officers on duty at colleges are requested to submit to the Adjutant General any suggestions which may occur to them for the improvement of the blank now in use.
